

## **Christian Aid Street Collection October 17 2015**

We again had a street collection for Christian Aid, this year for their refugee appeal.

Collection was mainly done by members of the URC and Society of friends, with help from one Baptist and one Catholic,- a total of 13½ hours. The total raised was £427.37. Although worthwhile this was rather less than last year, mainly because there were fewer collectors. We will have another collection on a similar date next year and hope the date will prove more suitable for the churches who, for a variety of reasons, were unable to give much support this year.
