

Churches Together in Saffron Walden Covenant Signed at United Service 21/01/2018

We, the churches of Saffron Walden, give thanks to God for the unity we share in Jesus Christ.

We commit ourselves in the power of the Holy Spirit:

- To value each church's distinctive contribution
- To make known through our words and actions the gospel of Jesus Christ
- To collaborate, when appropriate, in witness and service
- To worship God, the Holy Trinity, together

Although the Religious Society of Friends does not accept any formal creedal statement, it is a welcome and equal member of Churches Together in Saffron Walden.

We, as members of Churches Together in Saffron Walden, undertake to renew this covenant at an annual service and to review it in five years time.
